

GIRLS GOLF ROCKS

ON TOUR 2018

SO WHAT'S IT ALL ABOUT?

We want to encourage girls to start feeling more confident and having fun with friends when playing on the course.

Whether you are a complete beginner or have attended any of the 'Girls Golf Rocks' taster or coaching sessions then please feel free to enter any of the dates that are taking place this year.

Each event will be hosted over a Par 3, short course or Adventure Golf course and rounded off with some food and a prize presentation. Goodie bags will also be given to all girls!

A great opportunity to meet new friends from around the county or bring your friends with you. Plus we'll be joined by some of the County's best golfing girls and our Nottinghamshire Ambassadors will be there to help you out!

SO COME AND JOIN US, HAVE SOME FUN AND PLAY GOLF IN A WAY THAT ROCKS!
